Hello, it's me, Ragawa Marimo Shanimuni Go is six volumes now Please continue to support us
About the paint I'm trying out some new painting supplies This time it's Liquitech, for the cover and chapter title of ch. 31 You can apply Liquitech over the underlying paint without losing the vibrancy of the colors And I can pretty much use the same techniques I used with gouche (Acrylic Gouache) So I thought, "Excellent! I'll go with that!" However, it came out extremely horrendous I sorely realize, now, how inexperienced I am! But I'll try my best to improve my skills!!
I hate color ink

THE BALL JUST FLEW FURTHER THAN I EXPECTED TO!!
I SEE!! RULI PROBABLY USES LOOSER STRINGS
MUM...
THE STRING TENSION IS DIFFERENT...?
The "string tension" of a racket indicates the pressure under which the strings are secured to the frame, expressed in pounds, between 50 and 65 pounds. The looser the tension, the further it hits.

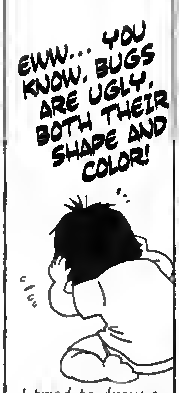
Well, the plum tree at my house just won't bear fruit. The first couple years it gave heaps of plums, but not a single one within the last few years. Are there bugs inside the tree? It just occurred to me that having a tree in the garden is really nice but a pain to take care of. Geez... I hate bugs.



I tried to draw a caterpillar but it was so disgusting I had to give up. I've made the right decision, I think (^^;)

HE CAN'T CONTROL IT YET BUT HE'S GOT AN AMAZING SERVE.

In these last couple of chapters, I feel that I've shown Shun's human's side However, a few people have sent in furious comments (^_^;) That's true He shouldn't hit balls at girls

Right now, we're in the non-school and non-tennis chapters (^^) These slice-of-life tidbits are pretty fun to write The part I have most fun with is drawing street clothes and the girls Kanako is getting popular I'm glad That kind of kid is very easy to write (^^)

It's the Inter-High at last! (ch.34) And it's summer! Iwate was incredibly hot. 1999's Inter-High was held in Iwate. For the year 2000 (which is the year I'm writing this), it's held in Gifu. For Shanimuni Go, the tournament is in Iwate but there are some discrepancies in times and courts.

Anyway, hope you don't mind. ♥

The wall to becoming a world-class player is high but it must be overcome. Let's take a look at the potential world-class players who are currently in Japan's Junior tennis world.

作年度覇者、後の名勝負を考えてもおいしい、この名前は世界中に知れ渡る事になるだろう。ITFジュニアランキング、発売当今、日本のテニス界が誇る注目し、また、待ち遠しかった選手である。実力だけではなく、その容姿もスター性十分だ。コートサイドでは常に彼を応援する女性達の黄色い声援が飛び交い、海外の選手には、ジュニア時代からファンがつく事はよくあるだろう。しかし、日本では異例の事だ。彼の人気は、日本のみならず海外でも高い。間違いなく、彼は日本が生み出したアイドルというわけだ。

*

去年、本誌が単にインタビューをした時、彼はこう言っていた。「目標はあくまでも世界で1番。ジュニアの大会が終わったら、秋、プロ入りをします。」それは二年連続、ITF優勝です。彼はプロになる前に、しかやりたくない事が出来ない「学生テナンピオン」のタイトルを手にしたいと言う。それは今我々の支えになるからだろう。

6月に行われた関東高等学校選手権で、後に正勝とも言える試合運びで優勝した。

THE PRINCE OF THE JUNIORS TENNIS WORLD SASEKO SHUN

オーストラリアで通じたのだ。ジュニアの頃に力を抜いていたオーストラリアでその脚を磨いたおかげだろう。彼のプレイは海外の選手に通用するパワーがあった。

ただ、試合中のラブプレイが目立つように思う。それをセンター出来るようになった時、今の甘いマスクをしていて、中々どうして、女の子にもてそうである。

＊

現代テニス界は二年前の彼じられない。それで、全国レベルに全て通じた少年がいる。大阪桜花学園高校1年の松岡修造である。彼は高校生にしてすでに完成されていたというのだ。なるほど

＊

努力：天賦の才能があったからこそ

カンが優れているという事なのだろう。彼のプレイで目を惹くのはやはりボレーの巧さである。クレーコートで練習をしてきたという。

＊

最近、子どもらしい人懐っこさで、チームメイトやテニス関係者の間では人気が非常に高い。今万両ひと上げたジュニア彼女は、彼が気の出そうな笑顔をしているのが嬉しいまた、女子校の人気を集めそうなルックスをしている。

＊

というジュニア選手ばかりである。
